

Deuteronomy 6:5-7

You shall love the LORD your God with all your heart and with all your soul and with all your might. And these words that I command you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise.

GOAL

•To help our students love God, love people, and to serve the world starting with one home at a time.

•Achieve this goal in four ways:

1.) **Bible Studies** (To teach them who God is so that they will better be able to love God. Because you cannot love God if you do not think rightly about God.)

2.) **Service Events** (To be able to serve the world and to show them the love of God, starting first with our own community.)

3.) **Big Events** (To be able to be better equipped and to regain focus.)

4.) **Small Events** (To build fellowship with other like minded believers so they can together reach our goal. And for us to build a closer relationship with the students so that we might be able to better disciple them.)
